03rd of October 2018

TO WHOM IT MAY CONCERN

This is to certify that Mr.I.B.M.M.S.Irugala Bandara, had been working as a **Trainee Engineer** at Lego International (pvt) Ltd – for the project of “Proposed Multiple Cinema Extension for KCC Project” from 04th of April 2018 to 04th of September 2018.

During this period, he has gained experience in following areas:

- Involved to overall site execution & supervision of site works with labor productivity according to the work schedule.
- He has gained thorough knowledge with involvement of reinforcement works, form work works & concrete works.
- Preparation of bar schedules & marking of concrete approval sheets.
- Experience on methodologies & techniques used in construction site
- Experience on Safety Management at the site
- Reconciliation of materials and control of tools, materials and equipment's within the site

Thanking you.

Yours truly,

.....
Prof.P.B.R.Dissanayake

Chairman
