Mrs. Ishara Ravihari – Speech and Language Therapist

Mrs. Ishara has been working as a Speech and Language Therapist and a Research Assistant on a consultant basis at Cerebral Palsy Lanka Foundation (CPLF) which is the first and the only organization for children with Cerebral Palsy in Sri Lanka. She has been working with us from 2nd September 2020 till 28th February 2022.

During the course of her work at the foundation, Ishara has consistently demonstrated good work performance and is a fast learner. She also has demonstrated good communication skills and works well in multi-disciplinary teams.

She has been providing assessment and intervention services for the students registered at our centres and for the other children using our disABILITY Screening platform which is the first of its kind globally for tele-screening and tele-therapy. She has conducted several training programs for teachers, social services officers and parents.

Should you have any further clarifications or require more information, please do not hesitate to contact me on 0714342247 or gopi291975@yahoo.com

Thank you,

Yours sincerely,

Gopi Kitnasamy
