To Whom It May Concern:

MR. MOHAMED IBRAHIM MOHAMED INAMULLA

This is to certify that Mr. Mohamed Ibrahim Mohamed Inamulla of No.17/2a, Samed Mawathe, Massala Beruwala, joined our organization as an Audit Trainee for Chartered Accountancy training on 21st November 2012 and left on 30th November 2015 on his own will. The first year he worked as a trainee and subsequently promoted as an audit and accounts supervisor for remaining two years. During his stay with us he was involved in the audits, accounting, tax, secretarial and other business consultancy assignments. We have found him to be industrious, hard working, intelligent and very honest. We have no hesitation in recommending him for whatever the jobs he is looking for in the accountancy field.

Yours faithfully
